ANGEL

I m sending you an angel
Who's always there for you
A helpful guardian angel
Forever kind and true

An angel to bring you light
When you're down and stuck in pain
An angel to hold you tight
When you're walking in the pouring rain

Your angel is always there for you
Your angel will carry you through

**Let your angel guide you
straight into the light**

sometimes you hear it, feel it touch it, breathe it
although you might not see
you can trust it, breathe it, love it, believe it,
give it at least a try
spread your wings and fly
let your angel guide you
straight into the light

Engel

Ich schick dir einen Engel
der immer zu dir hält
Ich schick dir einen Engel
ans Ende dieser Welt

Ein Engel, der dir Licht bringt
und dir hilft zu verstehn
Ein Engel der dir Kraft
und den Mut voran zu gehen

Dein Engel wird immer bei dir sein
Er hält dich und lässt dich nie allein

sometimes you hear it, feel it touch it, breathe it
although you might not see
you can trust it, breathe it, love it, believe it,
give it at least a try
spread your wings and fly
let your angel guide you
straight into the light
